Fax Number: 323-226-5692

REPORT TO: M/T/Th Clinic Tower, 2nd Floor Pediatric Clinics at 8:30 a.m., or call 323-226-5609 for time & place to report on first day

PREREQUISITES: Pediatrics Clerkship
DURATION: 4 weeks
DATES OFFERED: August to June
Rotations scheduled: by calendar month
NUMBER OF STUDENTS: 1
VISITING STUDENTS: Yes
SUPERVISION: 80% Faculty
  20% Resident

DESCRIPTION:
The student will participate as a member of the Pediatric Cardiology Consultation Services at Women’s & Children’s Hospital (WCH) and will attend outpatient clinics and teaching conferences at both WCH and CHLA. The elective will include evaluation and management of children with simple and common as well as infants and children with complex and rare cardiac conditions.

EVALUATION:
Student’s performance is evaluated by the faculty member(s) who work with the student and will include an evaluation of their effort, proficiency and professional behavior. Each faculty member who works with the student will contribute to the evaluation and the preceptor will summarize the overall performance in the student evaluation form. A formal written examination will be given towards the conclusion of the clerkship. Although this examination will provide some information regarding the student’s knowledge base in pediatric cardiology, it is primarily intended as a teaching tool and will not constitute a significant portion of the student’s evaluation.

*C Selective Attendance and Illness Policy
In order to insure adequate clinical exposure, no more than 3 days of excused absences (to include official Holidays) can be accepted during a selective. This policy does not imply that absences are guaranteed; absences may be excused at the discretion of the faculty. Absence due to illness must be reported to the faculty or his/her designee as soon as possible. In case of extended absence (2 days or more), a note from a physician (who is not a relative) is required and the absence will be reported to the Office of Student Affairs. A physician note may be requested for any absence, at the discretion of the faculty.
Students will generally be required to make up days before a passing grade can be assigned. All absences must be excused and any planned absence must be registered with the preceptor prior to the first day of the selective. Students should take vacation time if he/she anticipates a need for more than 3 absences during a selective. USMLE and BLS/ACLS will not be considered excused absences.
